Abstract

(Maximum 1-2 pages)

Resumé

Edoardo Croci was born in Milan in 1961 and is currently Commissioner for Mobility, Transport and Environment in Milan Municipality. He graduated in Business and Social Studies at the Bocconi University of Milan. From 1991 to 1992 he specialized in Economics and Management studies at the New York University.

From 1999 to 2003 he was President of ARPA (Regional Agency for Environment Protection of Lombardy).

From 2001 to 2003 he covered the role of Vice President of FERDANE (European Federation of regional Energy and environment Agency) and was delegate for the activities concerning Sustainable development and

Agenda 21. Since 2005 he is member of the Commission for the reorganization, coordination and integration of legislation on environmental issues at the Italian Ministry of Environment.
