Executive Summary of your Abstract

The presentation will start with a quick overview of SPP initiatives in Africa (10-YFP on SCP, ARSCP-5 and the Marrakesh Task Forces), but will mainly focus on the current situation in South Africa. It will provide a review of SPP activities in SA and give an outline of barriers, gaps and main trends. In closing there will be a brief introduction to the proposed African Local Sustainable Consumption and Production Initiative (ALSCPI) based on the proposed ProcuraPlus Programme for Africa.

Abstract

Resumé

She is part of the ICLEI Africa Secretariat working on Sustainable Consumption and Production. She established Steadfast Greening in 2007, a Cape Town based company that focusses on event greening, cleaner production and awareness raising around sustainable living.
